ORDER ADOPTING REPORT AND RECOMMENDATION

This action for judicial review of the Commissioner's denial of disability insurance benefits was referred for initial proceedings to United States Magistrate Judge Shon T. Erwin, consistent with 28 U.S.C. § 636(b)(1)(B). Judge Erwin entered a Report and Recommendation on November 21, 2012, recommending that the decision of the Commissioner be affirmed. Plaintiff, through counsel, has timely filed an objection to this report, and the Court therefore considers the matter de novo.

The facts and relevant law are set out in full in the accurate and well-reasoned opinion of the Magistrate Judge. No point would be served in repeating that analysis. Plaintiff merely raises the same two issues argued initially, and there is nothing asserted by him which was not fully considered and correctly rejected by the Magistrate Judge, and no argument of fact or law is set forth in the objection which would require a different result.

Accordingly, the Court adopts and affirms, in its entirety, the Report and Recommendation of the Magistrate Judge, and for the reasons stated therein, the decision of the Commissioner in this case is affirmed. A judgment will enter accordingly.

IT IS SO ORDERED this 11th day of January, 2013.

ROBIN J. CAUTHRON
United States District Judge
